After processing your order, we will send you the documents including the activation code(s) to the specified e-mail address.

In order to extend the warranty of an inverter using an activation code you have to do the following:

1. Register your product via the SMA homepage:  
<http://www.my.sma-service.com/s/product-registration>
2. During product registration, enter the activation code for your extended warranty.
3. If you have already registered your product, please log in at  
<http://www.my.sma-service.com/s/product-registration> and activate the code under "My PV systems".

Please note:

- The code activation is only possible with a valid warranty.
- Warranty coverage varies depending on the country of installation.
- For more information, please refer to the Terms and Conditions for SMA Warranty Contracts on the SMA homepage at <https://www.sma-america.com/service-support/overview.html>

The purchase price will only be refunded on return or exchange following effective cancellation in accordance with the Terms and Conditions for SMA Warranty Contracts. After the cancellation period, the goods cannot be returned in exchange for a refund or to purchase other goods. SMA shall not be liable for the loss of the activation code or any resulting damage after it has been sent to the email address provided by the customer.
