## IMPORTANT LEGAL NOTICE

This presentation does not constitute or form part of, and should not be construed as, an offer or invitation to subscribe for, underwrite or otherwise acquire, any securities of SMA Solar Technology AG (the "Company") or any present or future subsidiary of the Company (together with the Company, the "SMA Group") nor should it or any part of it form the basis of, or be relied upon in connection with, any contract to purchase or subscribe for any securities in the Company or any member of the SMA Group or commitment whatsoever.

All information contained herein has been carefully prepared. Nevertheless, we do not guarantee its accuracy or completeness and nothing herein shall be construed to be a representation of such guarantee. The Company shall assume no liability for errors contained in this document, unless damages are caused intentionally or through gross negligence by the Company. All information communicated is intended solely for general information purposes and is not to be used as the basis for business, legal, or other decisions without having obtained individual advice in this regard. As such, the Company shall assume no liability for the effects of activities and decisions on the basis of the data and information provided by this presentation.

The information contained in this presentation is subject to amendment, revision and updating, which does not underlie any prior announcement by the Company. Certain statements contained in this presentation may be statements of future expectations and other forward-looking statements that are based on the management's current views and assumptions and involve known and unknown risks and uncertainties. Actual results, performance or events may differ materially from those in such statements as a result of, among others, factors, changing business or other market conditions and the prospects for growth anticipated by the management of the Company. These and other factors could adversely affect the outcome and financial effects of the plans and events described herein. The Company does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. You should not place undue reliance on forward-looking statements which speak only as of the date of this presentation.

This presentation is for information purposes only and may not be further distributed or passed on to any party which is not the addressee of this presentation solely after prior consent of the Company. No part of this presentation must be copied, reproduced or cited by the addressees hereof other than for the purpose for which it has been provided to the addressee. The content of this presentation, meaning all texts, pictures and sounds, are protected by copyright. The contained information of the presentation is property of the Company.

**This document is not an offer of securities for sale in the United States of America. Securities may not be offered or sold in the United States of America absent registration or an exemption from registration under the U.S. Securities Act of 1933 as amended.**

# Argomenti

- 1 SMA Home Solution
- 2 SMA Backup 1P
- 3 Sunny Tripower Smart Energy
- 4 SMA eCharger

# Tutte le informazioni a portata di mano

## Insieme facciamo la differenza.

Nel lavoro quotidiano, avere informazioni tecniche chiare, aggiornate e sempre disponibili è fondamentale per operare con sicurezza, rapidità ed efficienza.

Per questo abbiamo creato una raccolta completa dei nostri schemi di collegamento ufficiali: uno strumento pratico, pensato per supportare tutti gli installatori durante il commissioning.

Grazie a questi materiali potrai:

- **Ridurre i tempi di installazione**

Con schemi immediati e completi, ogni collegamento risulta chiaro già al primo sguardo.

- **Lavorare con maggiore sicurezza**

I diagrammi ufficiali vi accompagnano passo dopo passo, riducendo dubbi ed errori.

- **Standardizzare le installazioni**

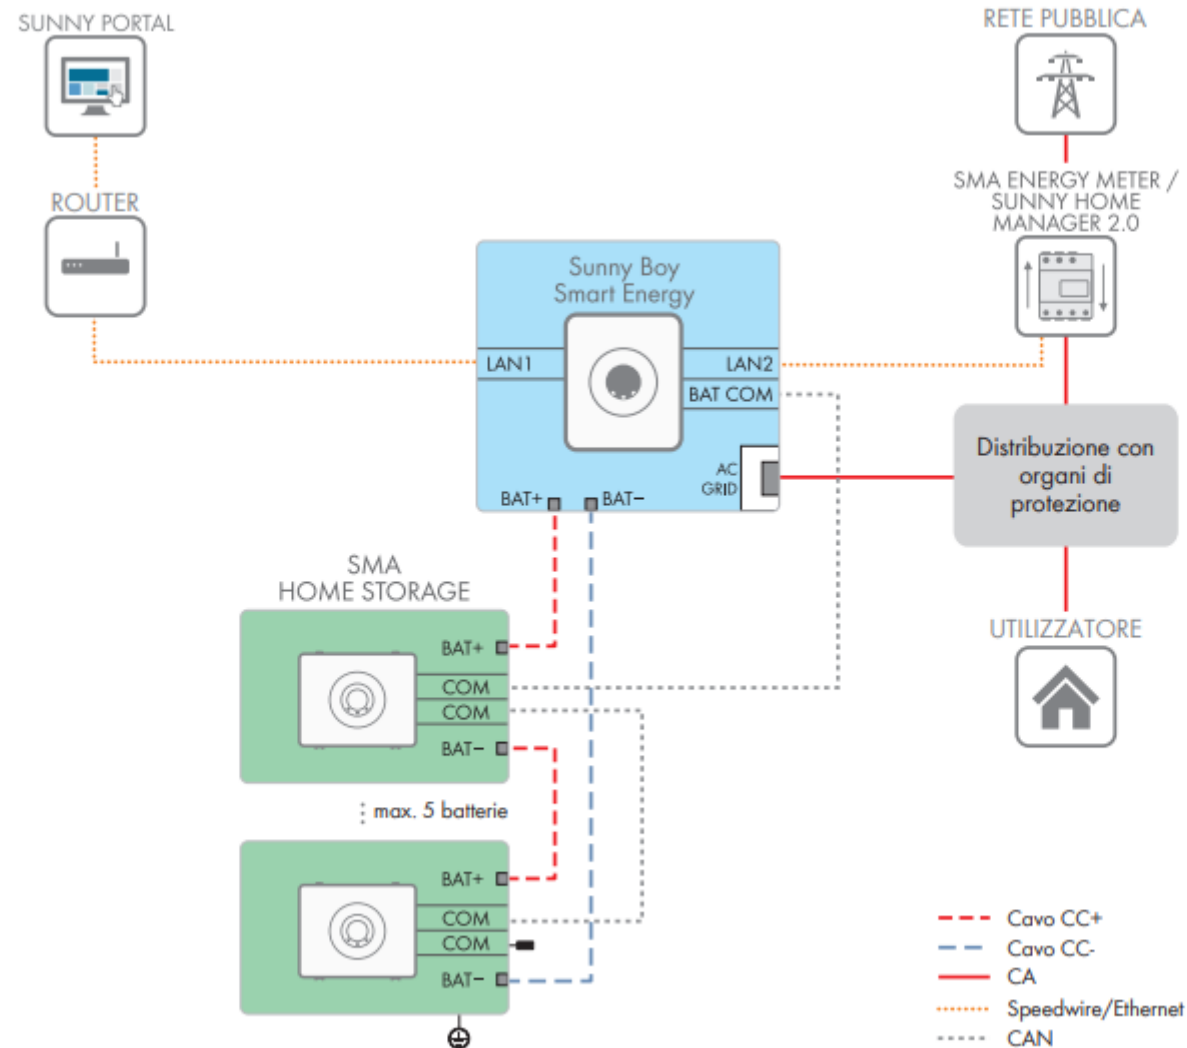

Procedure uniformi e condivise migliorano qualità, efficienza e risultati nel tempo.

- **Affrontare progetti complessi con più tranquillità**

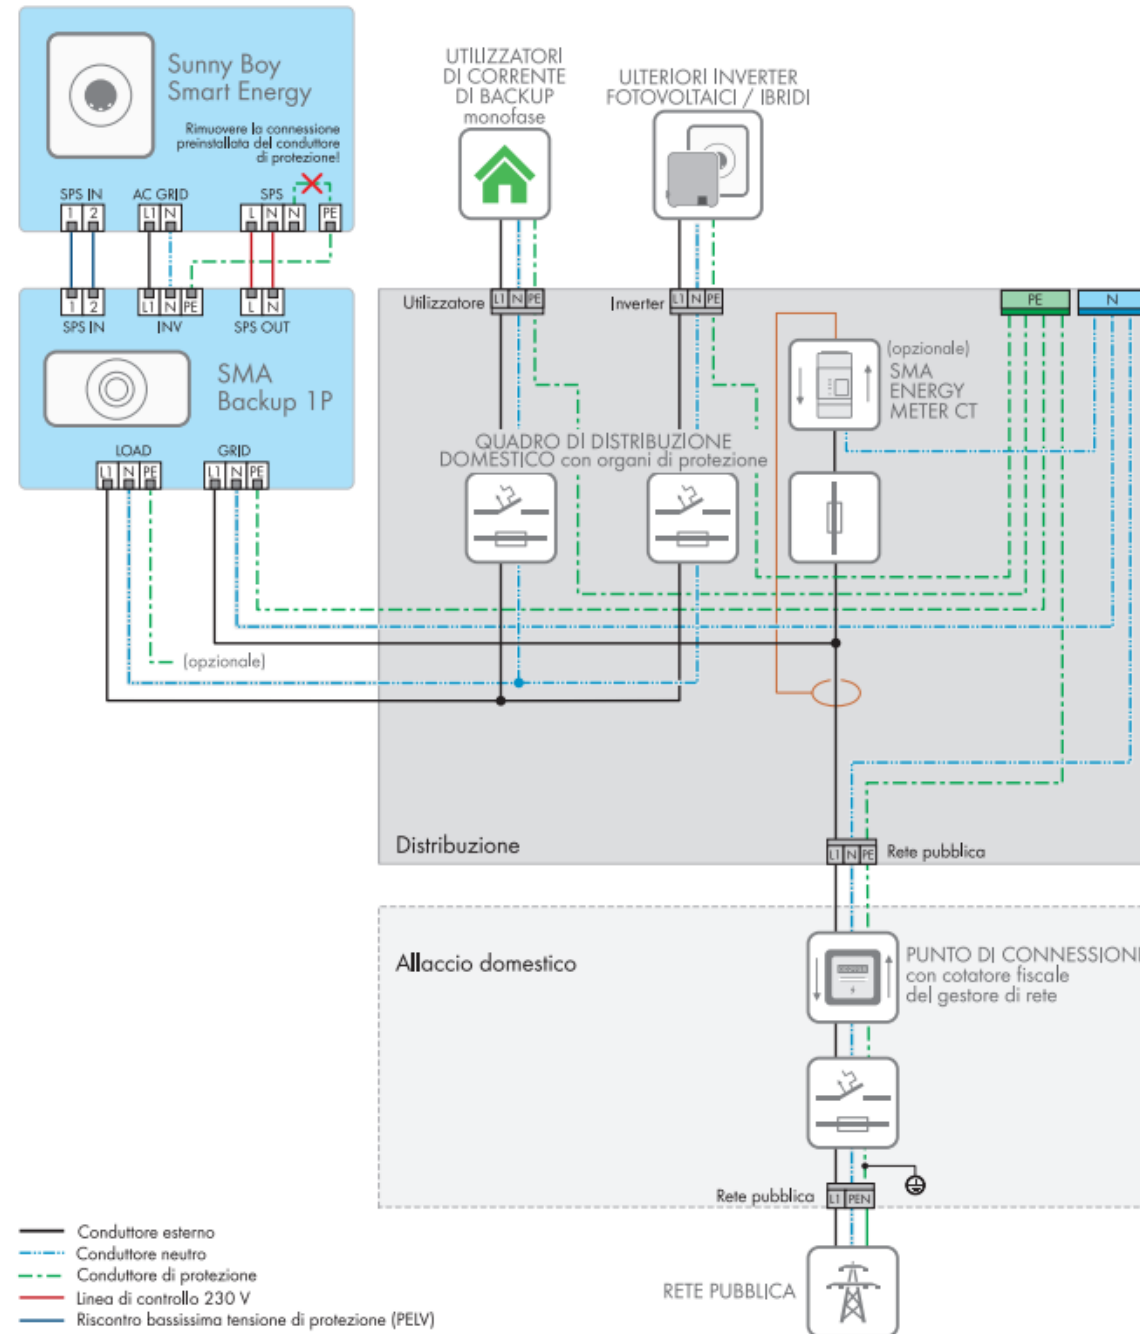

Anche nelle configurazioni più articolate, la documentazione tecnica vi guida con precisione.

# SCHEMI DI COLLEGAMENTO

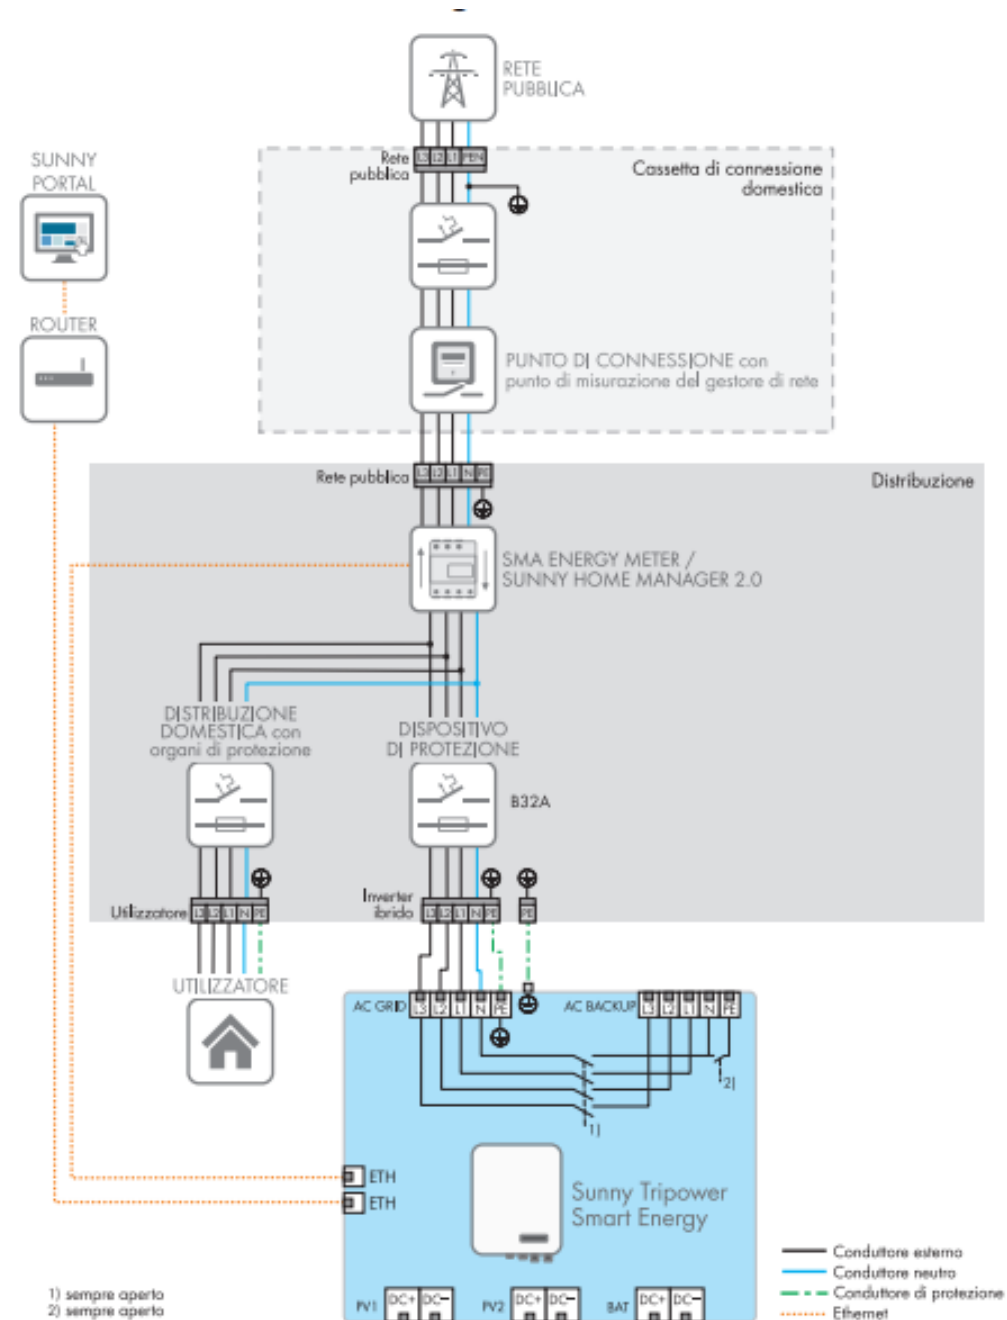

# SMA HOME SOLUTION (SBSE, SMA HOME STORAGE, SMA ENERGY METER/HOME MANAGER 2.0)

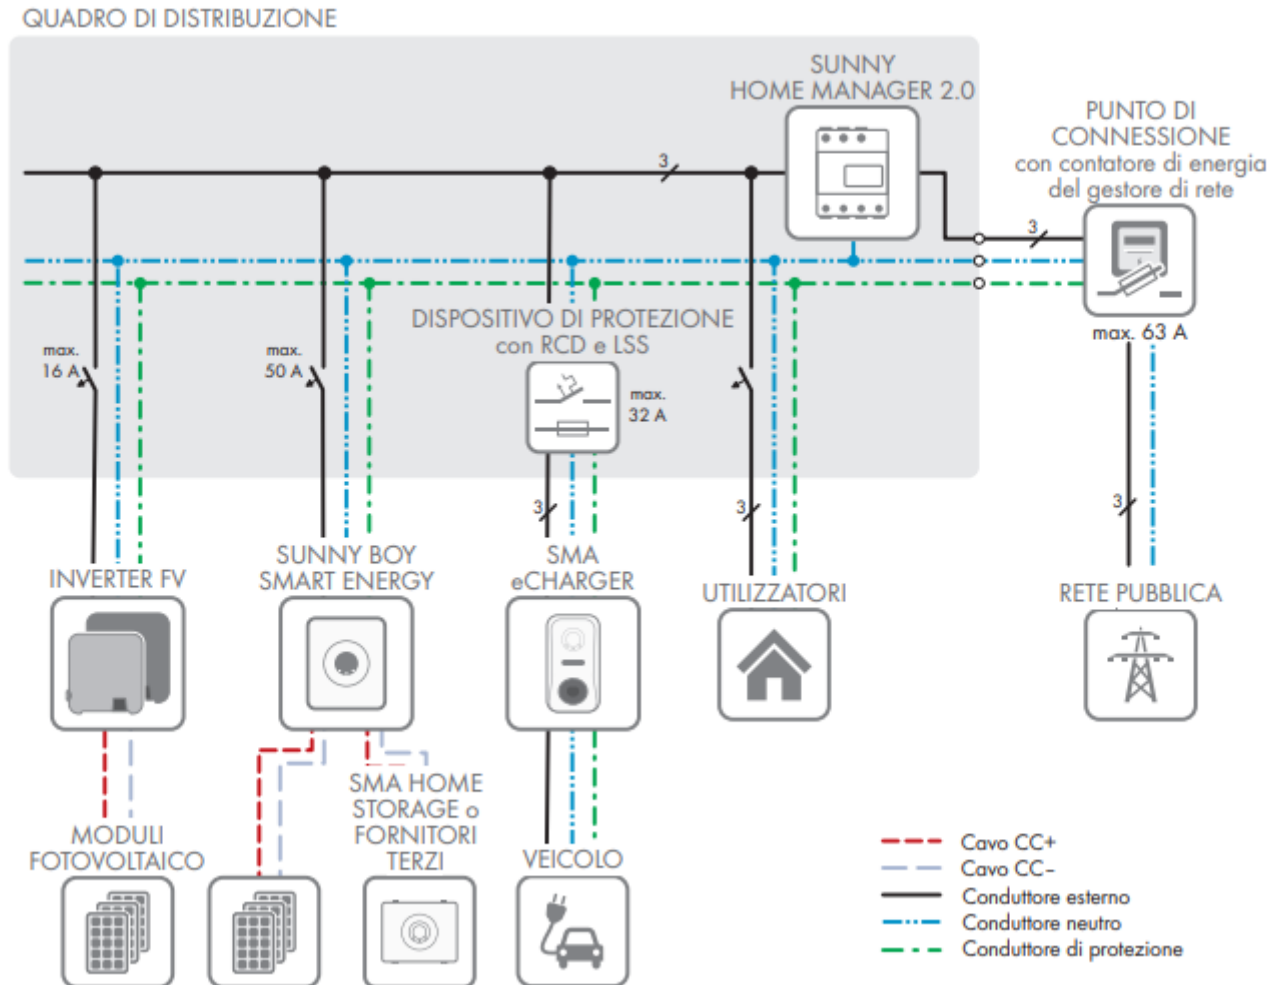

# SMA Backup 1P

# Sunny Tripower Smart Energy

# SMA eCharger

The background of the slide is a photograph of a lush green field with wildflowers, partially obscured by the silhouettes of trees on the left. The sun is low on the horizon, creating a warm, golden glow and long shadows across the field.

# Grazie!
