EU REACH SVHC - Declaration of Conformity

2024-10-28

EU REACH 1907/2006 – (01/2024): The Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) Regulation requires the identification of Substances of Very High Concern (SVHC) contained in articles above the threshold 0.1% w/w manufactured and marketed in the EU (Legal Reference EC 1907/2006). We hereby send you information related to REACH regulation (Regulation (EC) No. 1907/2006). In accordance with Article 33(1) of the REACH regulation, this communication applies to the below-referenced Product(s) included with this declaration. The REACH candidate list of SVHC declarations include all substance names that were included up to that date of inclusion listed above.
