FOR THE REPRESENTATION OF VOTING RIGHTS BY PROXIES APPOINTED BY SMA SOLAR TECHNOLOGY AG

This form does not replace proper registration for the Annual General Meeting nor the timely receipt of proof of share ownership in proper form. Both are also a prerequisite for exercising your shareholder rights when granting a proxy.

If no proper registration for the Annual General Meeting has been received, or if the Company has not received timely proof of share ownership in correct form, or if it is not possible to clearly match the form to the registration due to incomplete or illegible information, the proxy appointed by the Company cannot exercise voting rights at the Annual General Meeting.

If you wish to exercise your voting rights prior to the Annual General Meeting, we offer you the option of having your voting rights represented by proxies of our Company who are bound by instructions.

For this purpose, you can either use the shareholders' portal **up to and including June 09, 2026 until the time of closing the voting by the chairman of the meeting in the Virtual Annual General Meeting** (*the access data can be found on your access ticket*), or complete the form in full and submit it to the address indicated above **at the latest by midnight CEST on Sunday, June 07, 2026 (date of receipt)**.

The shareholders' portal can be accessed on the website of SMA Solar Technology AG at

<http://www.SMA.de/Hauptversammlung>

If Corporation-appointed proxies are authorized, they must always be given instructions on how to exercise voting rights. The proxies are obligated to vote in accordance with the instructions given to them and may exercise voting rights only on those agenda items, motions and nominations for which they have been given instructions. The proxies do not accept any powers to make contributions, ask questions, propose motions or nominations, arrange for questions to be recorded in the minutes or declare objections to resolutions of the Annual General Meeting.

Postal votes shall always be given priority wherever both postal votes and authorizations/instructions to the Corporation-appointed proxies are received. Conflicting declarations received through different communication channels will be considered in the following order:

(1) declaration received via the password-protected shareholders' portal, (2) by e-mail, (3) by mail.

DATA PROTECTION INFORMATION:

You can find information related to data protection law, in particular on the processing of personal data of shareholders or their representatives by the Company and the rights to which the data subjects are entitled under data protection law, in the invitation to the Annual General Meeting, which is available on the Company's website at

PROXY AND INSTRUCTIONS

Insofar as global and individual checkmarks are made concerning the agenda items, individual checkmarks take precedence. If no instructions or unclear or misleading instructions are issued, this will be deemed to be abstention, and double checkmarks will be deemed invalid. For all items on the agenda, the instructions relate to the proposals of the Administration or Supervisory Board announced in the convening of the Annual General Meeting in the Federal Gazette.
